

Your partner for all
your pharmacy-focused
staffing needs

Advocate Rx Staffing Solutions

When you need highly-skilled pharmacists and pharmacy technicians, we deliver timely and qualified placements to meet your exact needs for staffing, mentoring, management and transition services. That's why clinical, retail, long-term care, home-health, managed-care, and health system pharmacies choose Advocate Rx—the staffing company focused on pharmacy.

Fast response to your needs

We are the largest Fortune 30 owned pharmacy-exclusive staffing agency in the nation, with instant access to a broad range of skilled pharmacists. We tap into extensive national resources and deliver through local offices so your search process is convenient and targeted. With Advocate Rx, you get a direct response to any of your pharmacy staffing needs.

Wide selection of pre-qualified candidates

Our stringent selection process includes in-depth interviews, license, background and qualification verification, reference checks and drug screening. The work is done before you need the resources so we can promptly provide candidates specifically suited to your employment needs.

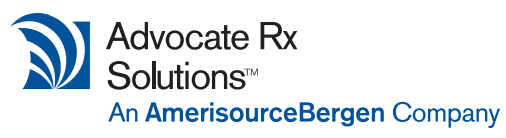

No-risk guarantee

Our pre-qualification process is so successful we guarantee for direct-hires.
